

The 2nd Cooperative Study of the Kuroshio and Adjacent Regions (CSK-2)

CALL FOR ABSTRACTS

THE CSK-2 INTERNATIONAL SCIENTIFIC SYMPOSIUM

20 February 2022, Bangkok, Thailand

Join the collective CSK-2 efforts in improving the understanding of the Kuroshio, its adjacent areas and ecosystems, to improve regional weather forecasts and climate predictions, and inform fisheries and aquaculture management.

The IOC Sub-Commission for the Western Pacific (WESTPAC) is pleased to invite you to join the first International Scientific Symposium of CSK-2, which is to be held on 20 February 2023, Thailand, in a hybrid mode.

The Symposium is open to any experts and relevant stakeholders who are interested in the CSK-2. Topics will focus on, but not limited to, scientific advancement on the Kuroshio, its adjacent areas and ecosystems. Any new initiatives or data management issues, related to the Kuroshio are also welcome! Ideas from Early Career Ocean Professionals are strongly encouraged.

Please send your short descriptive CV(less than 200words) and abstract (less than 500 words) to iocwestpac@unesco.org, with a subject line on “CSK-2 Symposium”. The Deadline of Submission is 10 Jan 2023. The detailed program will be available around 15 Jan 2023.
